**COMMUNICATION**

Commissioner for Patents  
Washington, DC 20231

Dear Sir/Madam:

As pointed out in the previously filed Petition, the above-referenced application was filed on January 26, 2001 without an executed Declaration and Power of Attorney or filing fees. We understand from a communication with Mr. John Gillon that the above-referenced serial number was eventually assigned to this case. Since the assigned serial number was different than the serial number provided on the return receipt postcard, the enclosed Declaration and Assignment which were executed over a year ago by the inventor, originally indicated the wrong serial number. Accordingly the undersigned has amended those documents by inserting the proper serial number and initialing and dating the change.

Please charge the filing fees, Assignment recordation fee and any other additional fees that may be required with respect to this application to our Deposit Account No. 50-0388 (Order No. SIP1P041). If the Office has any further questions concerning this matter they are encouraged to contact the undersigned at the number indicated below.

Respectfully submitted,
